

SodaPro™

Make It Sparkle™

Delicious ION Sparkling Water has never been easier. SodaPro is an internal CO2 Tank that connects to the state-of-the-art SodaPro Regulator, which maintains the correct CO2 pressure. The end result is deep carbonation that rivals the finest sparkling mineral waters.

Replace empty SodaPro tank in seconds with no tools or adjustment. One SodaPro tank will provide 250-8oz. glasses of superior effervescent water.

Purchase empty or filled SodaPro Tanks in packs of 4 or 16.
